

August 24th, 2011

Dear Parent(s):

I hope this letter finds you well! As many of you know, one of the chief areas of focus for my ministry in the two parishes is Youth Ministry. I have been working hard during the last few weeks in developing curriculum for the high school and confirmation programs. You are receiving this mailing because you may have a teenager who needs to register for the 2011/2012 youth ministry.

If you wish to register your teen for this year's program you will find enclosed a registration form to be filled out and returned to the parish no later than September 11th. In addition, there is a mandatory parent's meeting scheduled for 7:00pm on September 11th at Holy Family in the Church. Information on the curriculum, schedule, and ways to help out youth ministry will be provided at that time.

I am still in need of adult advisors for our program. If you are interested in facilitating small group discussions please let me know. I will be providing formation and opportunities to meet and discuss throughout the year for our adult advisors.

I am looking forward to the upcoming year and assisting you in the task of forming the youth of our Church!

Blessings in Christ,

Father Kevin Mc Manaman
Associate Pastor
