

2010-2011 Parent Covenant

St. Robert School is a Catholic parish school. It was established by and is invested in by the members of St. Robert Parish for the primary purpose of assisting parents in fulfilling their God-given responsibility to raise their children as Christians, in the Catholic tradition.

I/We recognize that education in a Catholic school is a privilege, not a right. As such, it requires the commitment and cooperation of those who choose to attend this school. It is this spirit of cooperation that ensures our success.

This agreement is entered into by

Parent Name/s

who desire to enroll their child(ren) in St. Robert School for the 2010-2011 academic year and therefore agree to the following:

Obligations and Responsibilities of All Parents

- a. Educational Support – Parents are expected to partner with the school in establishing family routines and priorities that support their child(ren)'s academic, social, emotional, and spiritual development.
- b. Parish Support – All parents are expected to contribute to the success of the parish by being active, contributing members of the community.
- c. Tuition – All parents are expected to enroll in TMS and make tuition payments promptly according to the payment plan they select.
- d. Policies – Parents agree to adhere to the policies as written in the St. Robert School Handbook.
- e. Home and School Association – Parents agree to support the Association's programs and activities. Each parent also agrees to complete two volunteer assignments each year and understands that such may require participation in 'Protecting God's Children' safe environment training.
- f. School Advisory Board – Parents agree to stay well-informed of the board's initiatives.

Obligations and Responsibilities of Parents Who Are Parishioners

- a. Worship and Celebrate – All parents are urged to worship and celebrate the sacraments as part of the St. Robert Parish Community, thus serving as role models for their children.
- b. Stewardship of Time and Talent – All parishioners are expected to share their Time and Talent in voluntary service to the parish. Parishioners whose children attend the school are expected to fulfill their volunteer obligations to the school and be active in the parish.
- c. Financial Stewardship – In gratitude for all God has given us, all parishioners are expected to support the work of the Church by making an annual financial stewardship pledge and fulfilling that commitment. Parishioners with children in school are expected to do the same by January 1st. \$750 per year is the suggested minimum donation. Your family is expected to give at a level that is consistent with your income and your gratitude.

**This Covenant must be signed and turned in at registration
along with the \$95.00 per student registration fee.**

(A copy will be kept on file at the school and the signed original
will be returned to you for your records.)

I/we understand and accept the obligations and responsibilities
set forth in this covenant.

I/We fully intend to support the programs and policies of St. Robert School,
to participate in the activities of the parish and the school, and to provide financial
support at a level that I/we believe reflects my/our gratitude to God for all I/we have.
