

Dear Parishioners,

We hope this message finds you well. We are writing to express our heartfelt gratitude for your generosity and dedication to our St. Robert parish community. Thanks to your support, we raised over \$800,000 this past fiscal year—this surpassed last year's contributions. Your kindness and commitment continue to be an incredible blessing to our parish and its mission.

We invite you to consider making a pledge for 2025. You can do so conveniently by scanning the QR code below or on our website. There will also be pledge forms in the church that can be dropped off in the collection baskets or at the Parish office by December 1st. As Fr. Enrique mentioned at mass this past weekend, your contribution—NO MATTER THE AMOUNT—supports parish staff and plays a vital role in sustaining and growing the ministries, programs, and outreach that make St. Robert such a vibrant and faithful community.

As we look toward the future, we want to share that our upcoming capital campaign, originally planned for earlier in 2025, has been rescheduled to later in the year. This adjustment will allow us to carefully plan and prepare, ensuring the campaign's success and our ability to be responsible stewards of the resources entrusted to us. Phase 1 in 2025 will consist of the new boiler for the school and church. We continue to plan and solicit feedback for Phases 2 and 3 which consist of the primary church infrastructure such as the floor, kneelers, sanctuary, tuckpointing, and more.

Thank you, once again, for your generosity and faithfulness. It is through your prayers, time, and resources that we are able to grow together in Christ and serve one another with love and purpose.

With gratitude and prayers,

The St. Robert Stewardship Committee:
